

School Transfer Notification for F-1 Visa Holders

As an F-1 student you are required to obtain a release of your SEVIS record prior to transferring to The University of Texas at Arlington. Your I-20 cannot be issued until we receive this form with the appropriate information regarding your F-1 status. Please complete Section I and send this form to the International Student Advisor at your most recently attended school in the United States to fill out Section II.

Please note: Completion of this form by your current school does not constitute SEVIS release for school transfer.
