

2024-2025 Where May I Park With My Permit?

Before you can park on campus, you need to purchase an e-permit that matches your status and vehicle. To find out which parking lot or garage is available for your permit type, you can visit the UTA Parking Finder app at go.uta.edu/park. The app will show you the location, capacity, and occupancy of each parking facility in real time. You can also use the app to filter by permit type, ADA accessibility, electric vehicle charging stations, or motorcycle spaces. The app will help you plan your trip to campus and avoid parking frustration.

Visit the UTA Parking Finder app at go.uta.edu/park
